**Subject:** MOAA - Georgia LOE Advance Notification

Dear Colonel Hadden:

MOAA's topnotch council and chapters compete annually to receive a four- or five-star Levels of Excellence (LOE) Award. The very best councils and chapters receive five-star awards, and above-average councils and chapters receive four-star awards. In April, a selection board was convened at national MOAA headquarters to evaluate the LOE submission packages.

You are receiving this advance notification of the results so that you are afforded the opportunity to notify and congratulate your state-level winners prior to the public release date.

Since MOAA National will not have the LOE Awards ceremony this year, please coordinate with this office on your preference for distributing the awards. Several council presidents have requested that all awards be mailed to them for further distribution or presentation at state conventions or other appropriate venues. The LOE winner announcement will also be posted to the website and highlighted in the Council and Chapter Update and featured in The Affiliate electronic newsletters.

It is an honor to serve with each of you. Our Councils and Chapters are making a difference on the legislative front and in your communities. Congratulations on your state-level LOE award honors!

Sincerely,

Terri Coles
